

LAUNCH YOUR DOCK *Life*

with **EZ LAUNCH**® RESIDENTIAL

With the EZ Launch for Kayaks, docking and launching your kayak or canoe has never been easier. And with the ability to connect with our standard and low-profile dock sections (as well as any other traditional docks) the EZ Launch for Kayaks can be installed virtually anywhere! Whether you are an experienced kayaker or just getting started, you will feel confident and stable using our new launch.

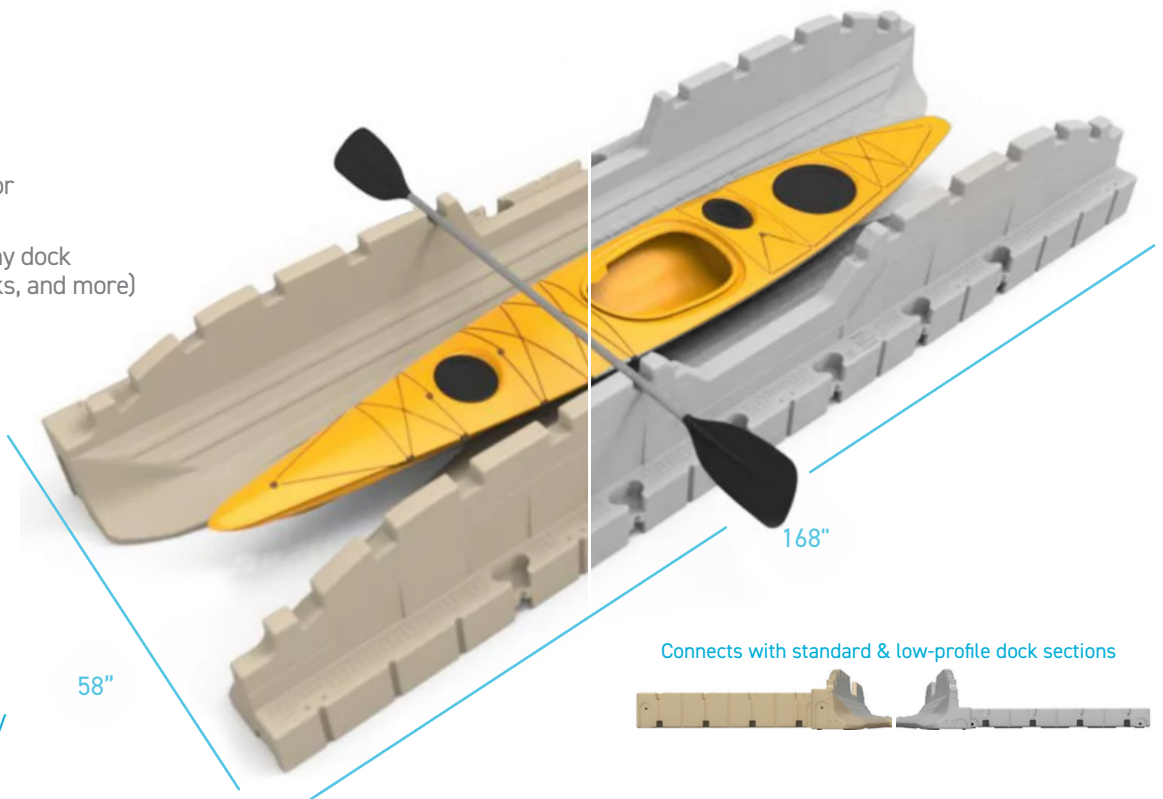

Universal Access

- One piece design
- Allows users a stable and dry entry into the water
- Launch-assist paddle notches for support in kayak entry and exit
- Ability to connect to virtually any dock (EZ Dock, traditional wood docks, and more)
