

The EZ Launch® System is the safe, easy and ADA-compliant way to launch and dock kayaks and canoes. Great for people with disabilities, children or seniors. Users will feel confident transferring into their watercrafts independently and securely, and launching with stability and ease.

EZ LAUNCH® FEATURES:

- Guide rails for easy access in and out of the water
- Launch rollers for easy movement of the watercraft
- Transfer bench with two heights for easy transfer from wheelchairs
- Transfer slide boards with two heights for differing watercraft sizes
- Railing system for slide board stabilization and transfer support for easy side movement
- Floating platform that adjusts to changing water levels

UNIVERSAL ACCESSIBILITY

A first in the industry, the EZ Launch® Accessible Transfer System for kayaks and canoes provides individuals with disabilities accessibility that exceeds the minimum requirements of the Americans with Disabilities Act (ADA). The easy-to-use transfer bench and transfer slide boards allow users to simply sit, slide over and drop down, then use the side rails to pull off or back on. The customizable system is also ideal for children, seniors, or anyone needing extra stability launching and docking a kayak or canoe.
